[Harzing 039:s Publish Or Perish Software Download For Mac](#)

The screenshot displays the Harzing's Publish or Perish 5.27.1.6277 application window. The main interface shows a table of queries with columns for Query, Source, Papers, Cites, Cites/year, h, g, h<sub>i</sub>no..., h<sub>i</sub>an..., \*Count, Query date, and Cache date. The query "Chih-Jen Lin - Professor of Computer Science, National Taiwan University" is highlighted in red. Below the table, the "Google Scholar Profile query" section shows the profile name "Chih-Jen Lin - Professor of Computer Science, National Taiwan University" and a table of annual citations from 2009 to 2017. A "Metrics" sidebar on the left lists various citation metrics, with a red box highlighting the "Cites" and "Per year" columns. The main table below the metrics shows a list of papers with columns for Cites, Per year, Rank, Authors, Title, Year, Publication, and Publisher.
